## Referral Program

How it works:

- Think of businesses that may be interested in joining MLM to help market their business, whether it's a storefront or home based. We contact them with your permission and let them know what we have available. **No high-pressure sales tactics.**
- Once you have 5 businesses that have signed a minimum ONE-YEAR contract with MLM YOU RECEIVE a spot on the *front-page banner*\*, on a special page called the "*Spotlight*"\* page in addition to your ad.
- Your front-page Banner ad and the Spotlight page would run for TWO WEEKS!

\* (The Banner and Spotlight page may be shared with other businesses. Spotlight page will not appear on site unless there are businesses that partake in program)
